

Welcome to Play Football Registration at **Old Ignatians Women's Football Club**

Registering for Our Club

Step 1. Create a Football Account

From the 2019 Season onwards participants will no longer register using their FFA Number and instead will be able to register via their email address by creating a 'Football Account'. The Football Account provides you with a simple way to sign in to access Football's digital channels and manage your profile from one place. Once signed up you can do the following:

- Register as a Player, Coach, Volunteer or Referee
- Access exclusive ticket pre-sale offers
- Receive discounts on national teams' tickets and finals series
- Manage your email preferences

TIPS BEFORE CREATING YOUR FOOTBALL ACCOUNT

- **Registered to Football before?**
 - If you are a participant be sure to use the **same email address you used to register for previous seasons**. This will match with the existing records within MyFootballClub and allow you to link up your history.
 - You will not be able to claim your participant history if your email address does not match the email address used for registrations on the old MyFootballClub.
- **Don't know what email address you used or don't have access to this address?**
 - Contact FFSA on 8340 3088 or email registrations@ffsa.com.au
- **Parent or Guardian?**
 - Please ensure the Football Account is created in your name not the name of your child or dependent. Once you have created your Football Account you will be able to register any child or dependent.
